

We're Open!

We are serving one family at a time. If you see that we are with someone else, we kindly ask that you remain outside. Thank you for your patience.

In light of the recent COVID-19 updates, please adhere to the following CDC guidelines while visiting to keep everyone safe. This includes:

- We are limiting the number of people in the Welcome Center at one time.
- The eTown Hub and Welcome Center is regularly deep cleaned and sanitized by a professional cleaning crew. In addition, our team sanitizes the area, door handles, and all surfaces after each appointment.
- Upon entry, please utilize the hand sanitizing station. All guests will be greeted with a verbal greeting, rather than a customary handshake.
- Please practice social distancing during your visit, keeping a 6 foot distance.

The health and well-being of our visitors and team is our number one priority. If you or any members of your household fall under any of these categories, we ask that you refrain from entering and shedule a virtual appointment instead. Please call (904) 559-1330 or email thehub@eTownJax.com to set an appointment.

I, or a member of my household, have been diagnosed with COVID-19.

I, or a member of my household, have been asked to self- quarantine due to either exposure or travel.
